

## **Baconfest Volunteer Code of Conduct**

**All volunteers are required to follow the code of conduct below.**

**Organizers want to make volunteering a positive experience. Any questions, concerns or suggestions should be directed to the Volunteer Coordinators.**

1. Volunteers are ambassadors of Lucan Baconfest & Hogtown Cycles and, as such, will represent themselves in a positive manner to event patrons, performers, vendors and other volunteers.
2. Customer service and making the event the best it can be are the main goals of volunteer service.
3. All volunteers must sign the Volunteer Liability Wavier prior to their first shift.
4. Volunteers are expected to fulfill the shifts they have committed to for the weekend.
5. Volunteers must not be under the influence, possess or use illegal drugs/substances while on the event site. Failure to comply will not only result in your festival pass being revoked, the authorities will also be notified.
6. Smoking while on duty is not permitted. If volunteers cannot get through their allotted shift without smoking they must speak to the Volunteer Coordinators at the start of their shift so appropriate arrangements can be made.
7. Volunteers must not use profane and offensive language.
8. Volunteers are not allowed onstage or backstage unless they are specifically scheduled for "Stage" and then only while on shift.
9. Volunteers should limit cell phone use while on duty. Please remember that customers and duties always come first.
10. Volunteers should have fun and enjoy the weekend!!
